

introducing Safeco® Homeowners service line coverage

Safeco Insurance now offers an endorsement to provide coverage for residential service lines. Coverage is provided for common causes of service line failure up to a **limit of \$12,000**, subject to a **\$500 deductible**.

Covered losses include, but are not limited to:

- ✓ Wear and tear
- ✓ Rust and corrosion
- ✓ Mechanical breakdown
- ✓ Freezing or frost heave
- ✓ Tree or other root invasion

Coverage is limited to the part of the service line running from the point of connection to the main service or utility line up to the dwelling.

This endorsement also includes repair or replacement with environmentally friendly materials, excavation costs, expediting expenses and coverage for outdoor property.

Some examples of the types of service lines covered include:

- ✓ Communications
- ✓ Compressed air
- ✓ Drainage
- ✓ Electrical power
- ✓ Heating
- ✓ Waste disposal
- ✓ Water

This coverage **does not** include septic systems or on-site wells.
